HISTORY OF THE A.A.O.N.M.S.

The Ancient and Arabic Order of Nobles of the Mystic Shrine had its origin, developed from the minds of a fun loving, jovial group of Masons who joined together for lunch at Fowler's Restaurant located in the Knickerbocker Cottage, at 426 Sixth Avenue New York City, New York. The group was part of the "13" craze popular in the mid 1870s. This group would meet for lunch at Fowler's Restaurant at 12:13 PM. each day, and sit at a table with 13 places. Among this lively group of men, were the two women, who became the founders of the Shrine of North America. They were Dr. Walter M. Fleming and William J. Florence both long time friends. Dr. Fleming was born June 13, 1838, in Portland, Maine. While still in medical school, he enlisted in the 1st Calvary of the New York National Guard. He was named surgeon of the unit at the age of 19 years. In August 1861, he was discharged due to a physical disability. He moved to New York City to continue practicing medicine. He became a Master Mason on January 11, 1869. William J. Florence was born William J. Conklin on July 26, 1831. After changing his name, he pursued a career as an entertainer, making his first appearance in Richmond Virginia at the age of 18 years. He became famous around the world as a great entertainer. Dr. Fleming and "Billy" Florence lived just around the corner from each other in New York and became great friends. They held many meetings to discuss the organization of the fraternity, which would later become known as the Ancient Arabic Order of the Nobles of the Mystic Shrine. Three other members of the group of thirteen joined them in the effort. They were Charles T. McClenahan, a lawyer, Walter Sleigh Paterson born in Scotland March 6, 1844, the youngest Mason to become associated with the Shrine and William J. Fowler, owner of Fowler's Restaurant. The first formal meeting was held June 16, 1871, at which time, the ritual written by Dr. Fleming, was discussed.

The organizational meeting for the first Temple to be called Mecca, was held early in 1872, and the following officers were elected:

Walter M. Fleming, Potentate
Charles T. McClenahan, Chief Rabban
John A. Moore, Assistant Rabban
James E. Campbell, Treasurer
William S. Paterson, Recorder
Edward Eddy, High Priest and Prophet
George W. Nutter, Oriental Guide
Oswald M. d'Aubigne, Captain of the Guard

The Temple was chartered on September 26, 1872. The first Imperial Council Session was in 1877, after coming into existence June 6, 1876. The Imperial Council Officers were:

Walter M. Fleming, Imperial Grand Potentate
George F. Loder, Deputy Grand Potentate
Philip F. Lenhart, Grand Chief Rabban
Edward M. Ehlers, Grand Assistant Rabban
William H. Whiting, Grand High Priest and Prophet
Samuel R. Carter, Grand Oriental Guide
Aaron L. Northrop, Grand Treasurer
William S. Paterson, Grand Recorder
Albert P. Moriarty, Grand Financial Secretary
John L. Stettinius, Grand First Ceremonial Master

Bensen Sherwood, Grand Second Ceremonial Master
Samuel Harper, Grand Marshal
Frank H. Bascom, Grand Captain of the Guard
George Scott, Grand Outer Guard

These men would develop a national organization composed of Temples of North America. New York City was established as the Grand Orient, or headquarters for the Imperial Council.

William Florence died November 19, 1891 at age 60. He had been a Mason since 1853. The first initiatory ceremonial was given by the Damascus Temple in Rochester, N. Y. The first Temple was Mecca, with Genesee second. By December 31, 1878, the Shrine had thirteen Temples and 425 members. After twelve years of service to the establishment of the Shrine, Dr. Fleming retired as Imperial Potentate.

Sam Biggs became Imperial Potentate on June 14, 1886. He served for six years to 1892, after creating thirty new Temples, with membership increasing from three thousand to twenty-two thousand

By 1892 Imperial Sessions were attended by the rank and file of Nobles, to the extent of huge parades, and very large attendance of people in each locality. The Shrine could now command certain dispensations from cities where it might choose to hold its conventions. In 1891, in Omaha, Nebraska, there were sixteen hundred Shriners in dress suits and fezzes, marching down a street twelve abreast.

By 1893 membership had grown to 27,000 Nobles and by January 1st, 1895 to 37,384 nobles. There were now seventy-one Temples in forty-three states. Aleppo in Boston, Mass. was the largest with 2573 members, Mecca in New York was second with 2378 and Lu Lu of Philadelphia, Pa. was third with 2315. Madinah of Chicago had 2107 and Syria of Pittsburgh, Pa. had 1255 members. By January 1, 1900 the Shrine had 55,455 members. Regalia manufacturers had a hard time keeping up with orders, the decade had been highly successful. Washington, D. C. became the site of the largest convention on May 22, 1900. The entire city welcomed the Nobles, and President McKinley invited the Nobles to the White House grounds.

During the decade from 1900 to 1910, membership nearly tripled from 55,455 to 149,157. By now, the parades in large and cities which had a large population were chosen for conventions, in order that large crowds could view the parades. Twenty more Temples would be chartered during the next seven years including Kazim Temple in 1917.

The Imperial Council Session in 1919 discussed the Resolution that had been suggested that a hospital for crippled children be established - no action was taken.

THE STORY OF KAZIM TEMPLE, A.A.O.N.M.S.

Dispensation to open a Temple of the A.A.O.N.M.S. at Roanoke, Virginia under the title of Kazim, was granted the 13th day of July, 1916, by the Imperial Potentate Henry F. Niedringheas.

The following Nobles were granted authority to open Kazim Temple to confer the Order and transact the business of the Temple:

Robert H. Angell, O. D. Oakey, John T. Cullen, R. Frank Taylor, Charles T. Jennings, C. S. McNulty, J. C. Bandy, Chris Markley, and 439 other Nobles.

The following Nobles were appointed as the Divan by Noble D. C. O'Flaherty, presiding as Special Deputy of the Imperial Potentate, at the Institutional meeting held in Lakeland Lodge on the 14th of October 1916:

Robert H. Angell, Potentate; O. D. Oakey, Chief Rabban; W. C. Stephenson, Assistant Rabban; H.P. Getys, Oriental Guide; H. A. Pratt, Treasurer; and John T. Cullen, Recorder.

At the second meeting of Kazim Temple, on November 1, 1916, a committee was appointed to secure a permanent Temple. The old Eagle Club House was suggested, and the committee was authorized to pay up to \$32,000 for the building. There are no records of the action taken.

At a ceremonial in Roanoke, Virginia, on December 29, 1916, twenty new Nobles were created, and ten Nobles affiliated on demits from other Temples.

Imperial Potentate Charles E. Ovenshire, appointed Past Imperial Potentate Harrison Dingman of Almas Temple, Washington, D. C. to institute Kazim Temple and present the permanent charter, dated July 27, 1917. One hundred and three Nobles were created and twelve affiliated by demit from other Temples on September 17, 1917.

On December 19, 1917, the dues of Nobles of Kazim Temple, serving in the Armed Services, were remitted during the present war.

Pursuant of General Orders of the Imperial Potentate, dated August 29, 1918, Kazim Temple designated the annual meeting of the Temple to also observe a memorial service for all Nobles who had passed away during the year.

A ceremonial was held on August 31, 1918, at Blue Ridge Springs, Virginia. The Nobles' Ladies were invited to attend a picnic prior to the ceremonial. After the ceremonial, the Nobles and their Ladies enjoyed dancing in the pavilion.

On February 5, 1919, a ceremonial was held in Lakeland Lodge to honor the visit of Imperial Potentate E. J. Jacoby. Thirty-one candidates were obligated by the Imperial Sir, after which the Session adjourned for a banquet in the banquet hall of the Lodge. The Session was reconvened at the Academy of Music on Salem Avenue, where the second and third section of the degrees were given to the candidates.

The first Shriners Band was organized July 18, 1919 with 22 pieces; W. H. Burt was the leader.

The annual meeting of Kazim Tempie was held December 6, 1919, in Lakeland Lodge. In addition to the normal meeting, a memorial service was held for the nineteen Nobles who had passed away since the institution of Kazim.

The Kazim annual meeting on December 8, 1923, produced a request from the Building Committee, that they be authorized to purchase a site for the Mosque. The Finance Committee approved the request with the stipulation that the cost would not exceed \$290,000. The Nobles passed the motion.

A special meeting was called on August 29, 1924. The Building Committee moved that they be authorized to purchase a lot on Church Avenue. The motion was lost. Noble J. O. D. Copenhaver presented a map of a plot of 100 acres in Raleigh Court, at the intersection of Grandin Road and Brandon Avenue. The Building Committee was requested to give consideration to its purchase. There had been considerable interest and much promotion towards the building of a Shriners Crippled Children Hospital in the Roanoke Valley. One facet of the purchase of the 100 acre plot in Raleigh Court, was the proposal that ten acres be set aside, for donations to the Crippled Children's Hospital, if built.

On November 8, 1924, the purchase of the Raleigh Court plot was approved. The Kazim Temple Corporation was formed at a meeting on December 1, 1924, to function as a holding company for all real estate and other property acquired by Kazim Temple. At the Kazim Temple annual meeting held on January 8, 1927 a resolution forming a Finance Committee consisting of the Chief Rabban, Assistant Rabban, High Priest and Prophet and Oriental Guide, was approved. The committee would have complete control of all monies except those of a routine monthly nature and those approved by the Nobility at a business meeting. The Building Committee reported that plans were completed for the construction of the Mosque, and for the "Garden of Allah", on the property in Raleigh Court, at Kazim's annual meeting on January 24, 1928. Payments of pledges by the Nobility were slow due to the poor economy, and personal financial condition. Plans for construction were delayed until conditions improved.

According to Kazim Temple records, 3546 petitioners had been elected and created by Nobles May 10, 1931.

At a special meeting on February 18, 1933, the by-laws were amended to reduce the initiation fee from \$100 to due to the depressed national economy.

On May 26, 1934, in Richmond, Virginia a joint Ceremonial Session was held with Acca, Kazim, and Khedive, honoring Imperial Potentate John N. Sebrell, of Khedive Temple in Norfolk. The Ritualistic Cast of Kazim Temple conferred the First Section, with the help of the Band and Patrol. A competitive drill of the Patrol present was won by Kazim Temple, under the direction of Captain M. S. Johnson.

At the December 12, 1936 business meeting, Kazim Temple accepted the invitation of Acca and Khedive Temples in forming a Mid-Atlantic Shrine Council. Almas, Boumi and Ali Ghan were included in this effort.

Kazim Temple resolved at the annual business meeting held on January 16, 1937, to present Past Potentate Horace M. Fox, as Outer Guard for the Imperial Council. On November 6, 1937, a joint "All State Ceremonial" was held in Roanoke by Acca, Khedive, and Kazim Temples, honoring Imperial Potentate Walter S. Sugden. The Divans and Uniformed Units of Acca and Khedive arrived by special trains at 8:00 A.M. Fifty-three candidates were created Nobles. Acca Ritualistic Cast gave the first and third sections of the ceremony.

The membership of Kazim Temple as of December 31, 1938, was 1, 564.

At a business meeting on April 15, 1939, a resolution was passed, stating the Divan would prepare the budget, a CPA would audit the accounts and life membership would be discontinued. The records show that the loans to the Temple by members securing property and building a Mosque, had been subscribed in the amount of \$441,706.50. Payments on the subscriptions had been made in the amount of \$164,383.84 as of December 31, 1939, \$111,282.36 had been returned to the members, leaving a balance outstanding of \$53,101.48. The Temple held title to 101+ acres in southwest Roanoke Raleigh Court area.

At the annual meeting on January 20, 1940, the "Ladder of Smiles" was unveiled to secure permanent contributing members for the endowment of the Shriners Hospitals for Crippled Children. Ten rungs of the ladder had been filled.

During the annual business meeting on January 18, 1941, a resolution was passed empowering the Potentate and Recorder to enter an agreement with Acca Temple for concurrent jurisdiction of Alleghany and Bath counties. The Temple membership was 1294 at this date. Imperial Potentate George F. Oldendorf was honored at the Patrick Henry Hotel on April 23, 1941. During his visit at Kazim he spoke on crippled children. The 1942 annual meeting was held on January 17th on the second floor of a building at 5051/2 Jefferson Street. The minutes of this meeting indicate that four hundred dollars was realized from a circus sponsored by Kazim Temple in November 1941.

At the annual meeting on January 16, 1943, Noble John T. Cullen retired as Recorder and was presented a resolution thanking him for twenty-six years of faithful service and making him Recorder Emeritus.

At the January 15, 1944, annual meeting, the Recorder reported that we had a gain of ten members, bringing the membership to 1353. The "Ladder of Smiles" had attained 56 permanent contributing members. An honor roll was published, showing that 44 members were serving in the Armed Forces of our country.

A special business meeting of the Kazim Temple Corporation was held on May 17, 1947. The sale of the property owned by the Temple in Raleigh Court to the Roanoke School Board was approved. The Temple would receive \$125,000 and a deed to the W. K. Andrews property on West Campbell Avenue.

The "Gambill House", located on the W. K. Andrews property on West Campbell Avenue, became the permanent home of Kazim Temple through its acquisition in 1947 by the Kazim Temple Corporation.

Membership of 1953 members was reported at the annual meeting on January 15, 1958; 2136 by the end of 1948 and 2311 by the end of 1949.

C. E. "Buck" Cuddy, P.P. was elected M.A.S.A. President for the 1953-54 term.

The Kazim Temple Nobility had 2861 members at the beginning of 1954. The Mid-Atlantic Session was scheduled for Virginia Beach, September 10, 11, and 12, 1954.

The Building Committee requested that the architectural fee for the work on the plans for the Scottish Rite-Kazim Temple buildings be paid. Payment was approved at the January 7, 1955 business meeting. The 1954 Shrine Bowl game produced \$8400. Membership was now 3011.

The Business Meeting held February 26, 1955, requested that the Building Committee planning of the joint Scottish Rite and Kazim Temple Buildings not exceed \$600,000 for the cost of the two buildings.

The report was made at the April 2, 1955, Business Meeting that the Greenville, South Carolina Unit handled 27 cases from Kazim's jurisdiction.

Recommendations for the ownership agreements between Scottish-Rite and Kazim Temple were made at this meeting. The Building Committee reported that the architects had secured a map of the Shrine property, progress was being made in the development of construction plans. The report was made at a business meeting held on April 10, 1956.

It was reported at the March 13, 1956, Business Meeting that the membership had increased to 3122. On March 11, 1958, the Building Committee reported that the architect's work on building plans was complete with specifications in the hands of the contractors with anticipation of bids around April 9th. TEMPLE LEADERSHIP

Shrine Leadership positions have, for the newcomer, odd sounding titles. In addition, some positions are elected and some are appointed. Appointments are made by the sitting Potentate.

Potentate – This is, essentially, the President of the Shrine Temple. It is an elected position. The Nobles vote, annually, for their choice of Potentate.

Chief Rabban – 1st Vice President. As with the Potentate, this is also an elected position. It is expected that the Chief Rabban will, the following year, be elected to the position of Potentate.

Assistant Rabban – 2nd Vice President. This is also an elected position. It is expected that the Assistant Rabban will, the following year, be elected to the position of Chief Rabban.

High Priest and Prophet – 3rd Vice President. Another elected position. It is expected that the High Priest and Prophet will, the following year, be elected to the position of Assistant Rabban.

Oriental Guide – 4th Vice President – Yet another elected position. In some Temples this is an appointment of the incoming Potentate, but then he has to be elected by the Nobility to become Oriental Guide. It is expected that the Oriental Guide will, the following year, be elected to the position of High Priest and Prophet.

Two other elected and critical positions are:

Treasurer – just what it sounds like

Recorder – Secretary and more!

The Board of Directors for the Temple, as with any board, govern the Temple. They are the management Team. An older term is “Divan” and the Ladies are the “Divan Ladies.”

KAZIM UNITS AND CLUBS

The Nobility is highly encouraged to join at least one Unit or Club. Units and Clubs are essential to Kazim Shrine, providing members with a meeting place and defined social activities. There is a large variety in the Units and Clubs of Kazim Shriners, each dedicated to the Fraternity and under the jurisdiction of Kazim Shriners Potentate. These organizations are composed of men who share a passion, enthusiasm or hobby. Many have Ladies meetings or offer activities for Ladies when they meet. With such a wide array of Units and Clubs offered at Kazim Shriners, a list has been composed listing a brief description of the mission and when they meet.

Units and Clubs have their own bylaws and, therefore, their own officers. Each Unit or Club defines the officers and terms of office.

Many Units have international affiliations and, therefore, have their own conventions. Some occur during Imperial Session.

Shrine Parading is something that the Nobles participate in only. Imperial bylaws restrict Ladies from being in a "Shrine" parade. However, WITH THE POTENTATES PERMISSION and certain restrictions, they are permitted to participate in non-shrine "Civic" parades. Ladies are encouraged to attend parades, whenever possible. It's fun and shows your support of the Nobles and the Shrine.

BASIC SHRINE PROTOCOL FOR LADIES

Always watch the Imperial First Lady or your First Lady. Do as she does; she sets the protocol for the occasion. When she stands you stand...

Since this is a man's organization, you do not stand for the Imperial Potentate or Potentate. You do stand for their lady as they are being escorted to the stage, introduced, or escorted out. You also stand for prayer, The National Anthems, and the pledge to the flag.

PROTOCOL IS COURTESY! Show everyone the respect you would as if they were guests in your home.
