### *Kazim Shrine Circus*

Kazim Shrine Circus is a go for 2021 right now. We are currently gearing up for ticket sales to begin on September 10<sup>th</sup> with Salem Civic Center. Tickets will be available to purchase, as in the past, with Ticketmaster or through the Box Office itself. Cost for this year will be the same as it had been advertised for last year, \$20 adults, \$10 children, and \$5 extra per seat for reserved seating.

We are working on building a Circus webpage to go on our website to help answer questions that Nobles and the public may have. This is scheduled to be live as of September 10<sup>th</sup>. Please send in your questions so we can ensure they are on the site to be answered.

Right now, there are no mask mandates or need for vaccination cards for the Civic Center. There is also no limit on capacity which means we are looking for large crowds to be in attendance.

### Kitchen Clinics

As many of you are aware, the Shrine kitchen has had a makeover during the last eighteen months. We are pleased to announce to the Temple that the kitchen project is now complete and ready to be used by all units and clubs. We have installed gas convection ovens, a ten-burner gas stove and a commercial dishwashing system. Along with these appliances, there have been numerous additions to cooking equipment, utensils, etc. We have also changed the layout of both the kitchen and the adjoining pantry.

With the kitchen being so different, we feel that it is in both our, and your, best interest that we put on a few “kitchen clinics”. This will allow us to provide each unit/club a better understanding as to how the appliances work and where things are now stored. These “kitchen clinics” will be held three times in September. All three will be Wednesday nights---September 8, 22, and 29 and will begin each evening at 6:30. It shouldn’t take us any more than one hour to explain everything.

Below you will find the email address for each member of the kitchen committee. You can email any one of them to set up a schedule. Members of each unit are encouraged to take advantage of these workshops. We would hope that your unit or club will designate at least one or two of your members to come. **HOWEVER**, you are not limited to one or two. The more the merrier.

## Greenville Hospital Update

### A Legacy of Generosity

For nearly 20 years the George and Joyce Headford Charitable Fund has been investing in the lives of children at both the Greenville and Cincinnati Shriners Hospitals. George was a Shriner for 50+ years, first in Ohio and then in Roanoke, Virginia, where he and Joyce settled in the 1970s. They traveled the world together, as Joyce explained it – “I saw parts of the world that I never thought imaginable.” They lived life to its fullest and continue to give to the fullest too. As a longtime Shriner, George witnessed the life-changing stories that Shriners Kids continue to share today. As they began giving back to the communities that had been a part of their lives, the decision to support the Greenville and Cincinnati hospitals was an easy one.

George and Joyce Headford

POPS Unit Dedication to George and Joyce

Following George’s passing in 2007, it was a very good friend of theirs that helped encourage the Charitable Funds continued investments in the Pediatric Orthotics and Prosthetics Services (POPS) department at the Greenville Hospital. “Our longtime friend and trusted adviser, Landon, became ill, and part of his healing and recovery resulted in an amputation and being fitted with a prosthetic leg,” shared Joyce. Joyce saw the impact the state-of-the-art prosthetic was having on Landon and his family; when she decided to continue supporting the Greenville Shriners Hospital, she knew exactly what program she wanted to support. “I have heard and read the stories of children using their prosthetics and orthotics to master gymnastics, swimming, golf and playing the violin,” Joyce continued. Both the decision to give – and the program to dedicate their support to – were easy ones for Joyce.

George and Joyce used the blessings they experienced during their marriage and life together to invest in the lives of children. George and Joyce’s heritage continues today through their Charitable Fund and is creating a legacy of healing in the children and families served by the Greenville Shriners Hospital and its POPS team.

## SASCA

SASCA is fast approaching and we are looking forward to seeing you at Myrtle Beach.

The Sea Mist Resort is the official Clown Hotel, and home to our annual Clown Convention in Myrtle Beach. With the Sea Mist not only do I think you will find that the room rates are excellent, but all rooms have been renovated.

If you have never seen or participated in the competition, there is no better time than now. In addition to meeting Shriners from all over SASCA, you'll also get to learn from some of the best around. If you are interested, please fill out the registration form as soon as possible and send it to Chris Lee along with your check; all information to remit is on the registration form.

Please reach out to Wayne "Winky" Wise, [winkyw@cox.net](mailto:winkyw@cox.net), or Chris Lee, [romeosudandunnclown@outlook.com](mailto:romeosudandunnclown@outlook.com), for more information. Please also visit our website, <https://sasca.webs.com/>, for all forms, hotel rates, and event information. We look forward to seeing you in September for a weekend of fun and fellowship.

## OKTOBERFEST

Join us on September 25<sup>th</sup> for Oktoberfest at Kazim Shrine Center. The event will be held in the Ballroom and will go from 5:00 – 9:00 PM.

This is a Membership event and DOES include your family. It also includes Masons who are not Shriners, yet. The cost is \$10 each for Shriners and their Ladies, but all non-Shrine Masons are FREE!

The event will feature games, great food (sausages, pretzels, and other German type food), and great Oompah music by Kazim's own: Salty Pretzel Band.

Don't forget your lederhosen!
